

CNC Machinery Craftsman Wood Lathe Parts Polishing

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Material: Wood
- OEM/ODM: Accepted
- Process: CNC
- Application: Furniture, Home Decoration, Etc.
- Surface Treatment: Painting, Polishing, Etc.
- Size: Customized
- Tolerance: $\pm 0.1\text{mm}$
- Package: Carton, Wooden Pallet, Etc.
- Highlight: **CNC Craftsman Wood Lathe Parts,
Machinery Craftsman Wood Lathe Parts**

Product Description

Product Description:

CNC Wood Parts are designed to provide ideal customized wooden machined parts for furniture and home decoration. The materials used are high-quality wood, and the shapes, sizes, and surface treatments can be customized to meet customer needs, including painting and polishing. Our CNC Wood Parts are known for their precision and high-precision CNC cut wood pieces, perfect for creating wood CNC artworks.

Features:

Product Name: **Wood CNC Artworks**

Size: **Customized**

Application: **Furniture, Home Decoration, Etc.**

Tolerance: **±0.1mm**

Process: **CNC**

OEM/ODM: **Accepted**

Special Features: **Wooden CNC Parts**

Technical Parameters:

Parameter	Description
Process	CNC
Tolerance	±0.1mm
Surface Treatment	Painting, Polishing, Etc.
Package	Carton, Wooden Pallet, Etc.
MOQ	1 Piece
OEM/ODM	Accepted
Lead Time	7-15 Days
Target Products	Wood CNC Artworks, Wooden Machined Parts, Wood CNC Artworks
Color & Size	Customized
Shape	Customized

Applications:

CNC Wood Parts: Applications & Scenarios

Ywy CNC707 wood parts are precision machined components with customized shapes, sizes, materials, colors and surface treatments, offering a wide range of applications and scenarios. CNC wood parts are used in the production of furniture, cabinets, toys, crafts, architectural woodwork, and other items. They are also used in the repair and maintenance of woodworking machinery, such as routers, saws, lathes, and other machines. CNC wood parts can also be used as components for larger projects, such as building and construction, cabinetry, and interior design.

CNC machining of wooden parts is highly accurate and cost-effective for producing intricate shapes and complex components. CNC wood shapes, wooden machined parts, and wooden machined components can be cut, drilled, milled, routed, and shaped into desired components with great precision. In addition, CNC machining of wood parts allows for the production of custom-made components with a wide range of colors, sizes, and shapes. With its precise and consistent results, CNC wood parts can be used to create components for a variety of applications, including architectural woodwork, furniture, cabinets, toys, crafts, and other items.

Ywy CNC707 wood parts are perfect for producing components with intricate and complex shapes, sizes, and colors. CNC machining of wood parts also offers a wide range of surface treatments such as painting, polishing, etc. With its high accuracy and cost-effectiveness, CNC wood parts are suitable for a variety of applications and scenarios, offering great value for money. Whether you're looking for CNC wood shapes, wooden machined parts, or wooden machined components, Ywy CNC707 wood parts are perfect for your needs.

Customization:

CNC Wood Parts

Brand Name: **ywy**

Model Number: **cnc707**

Place of Origin: **Guangdong, Huizhou**

Application: **Furniture, Home Decoration, Etc.**

Process: **CNC**

Tolerance: **±0.1mm**

OEM/ODM: **Accepted**

Shape: **Customized**

Our **CNC cut wood pieces** are perfect for creating wood CNC artworks and CNC wood shapes. All of our CNC wood parts are made to order and can be customized to your exact specifications.

Support and Services:

CNC Wood Parts Technical Support and Service

We provide technical support and service for all CNC Wood Parts products. Our team of experienced technicians is available to help with any issues that may arise. We can provide troubleshooting assistance, installation help, and product training. We also provide repair services for any product faults.

We are committed to providing the highest quality of customer service for all our products. Our team of professionals is dedicated to making sure that our customers have the best experience possible. We strive to provide fast and efficient service to ensure that our products are running smoothly and efficiently.

If you have any questions or concerns about your CNC Wood Parts products, please do not hesitate to contact us. We are here to help and will do our best to answer any questions you may have. You can reach us via phone, email, or by visiting our website.
