

Industrial Fabricated CNC Stainless Steel Parts Machining

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing Method: CNC Machining
- OEM/ODM: Acceptable
- MOQ: 1 Piece
- Lead Time: 7-15 Days
- Tolerance: $\pm 0.01\text{mm}$
- Surface Treatment: Polishing
- Application: Industrial Equipment
- Drawing Format: PDF/DWG/IGS/STP
- Highlight: **Fabricated CNC Stainless Steel Parts, PDF CNC Stainless Steel Parts**

Product Description

Product Description:

CNC Stainless Steel Parts are made from high-grade stainless steel materials, providing superior strength, corrosion resistance, and durability. Our experienced technicians use advanced CNC machining processes to ensure the highest quality part with precise dimensional accuracy and tight tolerances up to $\pm 0.01\text{mm}$. With quick turnaround and low minimum order quantities starting at 1 piece, we can provide custom-made stainless steel CNC machined parts in a wide variety of shapes and sizes to meet your exact requirements. Our drawings and files formats accepted include PDF, DWG, IGS, and STP. We also offer fast and reliable shipping options to meet your needs, including sea, air, and express.

If you are looking for a reliable supplier of custom stainless steel CNC machined parts and stainless steel fabricated parts, we are your ideal choice. Our professional team of engineers and machinists are experienced in machining stainless steel parts for various industries and applications. We are dedicated to providing quality and service at the highest level.

Features:

Product Name: CNC Stainless Steel Parts

Package: Carton/Wooden Box

OEM/ODM: Acceptable

Inspection: 100% Inspection

Tolerance: $\pm 0.01\text{mm}$

Shipping: By Sea/Air/Express

High Quality: High Quality Stainless Steel Part

Process: Stainless Steel CNC Machining

Service: CNC Machining Service, CNC Milling Service

Technical Parameters:

Parameter	Value
Package	Carton/Wooden Box
Application	Industrial Equipment
Lead Time	7-15 Days
Drawing Format	PDF/DWG/IGS/STP
Tolerance	$\pm 0.01\text{mm}$
Material	Stainless Steel
Surface Treatment	Polishing
Shipping	By Sea/Air/Express
Processing Method	CNC Machining
MOQ	1 Piece

Applications:

Ywy CNC 303 stainless steel parts are made of superior quality stainless steel and offer extraordinary durability. They are custom-made to ensure a perfect fit and meet all of your needs. These parts are ideal for various applications, such as food and beverage processing, chemical processing, pharmaceutical manufacturing, and more. Our stainless steel parts are designed to provide superior strength and corrosion resistance, while also offering superior accuracy with minimal tolerance. With our CNC 303 stainless steel parts, you can be sure of a high quality product with a perfect fit for your project. We use advanced CNC machining technology to create parts with a precise and consistent finish. OEM/ODM services are available for custom orders, and we also accept drawing format such as PDF/DWG/IGS/STP. With our stainless steel fabricated parts, you can be sure of a superior quality product with a high resistance to corrosion and rust. We offer custom sizes to meet all of your needs, and MOQ is one piece. Our stainless steel precision parts allow for precise cutting and drilling, ensuring that your project is completed with outstanding accuracy. Ywy CNC 303 stainless steel parts are the perfect choice for any project that requires high quality and durable stainless steel parts.

Customization:

CNC Stainless Steel Parts

Brand Name: ywy

Model Number: cnc303

Place of Origin: guangdonghuizhou

Tolerance: ±0.01mm
Inspection: 100% Inspection
Lead Time: 7-15 Days
MOQ: 1 Piece
Drawing Format: PDF/DWG/IGS/STP
CNC Stainless Steel Machining, Stainless Steel CNC Machined Part, Stainless Steel Precision Part

Support and Services:

CNC stainless steel parts offer reliable and precise machining services for all types of components. Our experienced engineers and machinists are capable of producing quality parts with high accuracy, tight tolerances, and minimal waste. Whether you require small or large components, our team is equipped to meet your needs.

Our technical support and service includes:

- Design and engineering assistance
- CAD/CAM programming and simulation
- Quality control and inspection
- On-time delivery and customer service
