

ABS Injection Molding Service Texturing Surface Finish

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Equipment: CNC, EDM, Wire-Cutting, Etc.
- Tolerance: $\pm 0.05\text{mm}$
- Material: ABS, PC, PP, PA, POM, Etc.
- Software: UG, Pro/E, SolidWorks, Etc.
- Service Type: Injection Molding Services
- Mold Life: 500,000-1,000,000 Shots
- Lead Time: 3-4 Weeks
- Surface Finish: Polishing, Texturing, Painting, Etc.
- Highlight: **ABS Injection Molding Service ,
Texturing Injection Molding Service**

Product Description

Product Description:

Injection Molding Services is a process injection molding provider that specializes in providing high quality, precise and reliable injection molding services for customers around the world. Our injection molding services are characterized by excellent tolerance ($\pm 0.05\text{mm}$), advanced software (UG, Pro/E, SolidWorks, etc.), large size (max. Mold Size: 1500 X 1200mm) and advanced equipment (CNC, EDM, wire-cutting, etc.). We are also proud to offer an unbeatable lead time of 3-4 weeks. Our injection molding process can be adapted to meet complex requirements and provide you with a superior product. We are committed to providing the best injection molding service and ensuring that your product meets the highest quality standards. With years of experience and expertise, we are confident that we can provide you with the best injection molding services and solutions for your needs.

Features:

Product Name: Injection Molding Services

Mold Life: 500,000-1,000,000 Shots

Process: Plastic Injection Molding, Molding Process Injection, Injection Molding Process, Overmolding, Insert Molding, Etc.

Cavity: Single Or Multi-Cavity

Mold Base: LKM, HASCO, DME, Etc.

Software: UG, Pro/E, SolidWorks, Etc.

Technical Parameters:

Item	Specification
Equipment	CNC, EDM, Wire-Cutting, etc.
Cavity	Single or multi-cavity
Mold Base	LKM, HASCO, DME, etc.
Lead Time	3-4 Weeks
Mold Life	500,000-1,000,000 Shots
Surface Finish	Polishing, Texturing, Painting, etc.
Tolerance	$\pm 0.05\text{mm}$
Material	ABS, PC, PP, PA, POM, etc.
Weight	Max. Mold Weight: 10,000kg
Software	UG, Pro/E, SolidWorks, etc.

Applications:

YWY plastic injection molding services offer professional solutions to our customers for their injection molding needs. Our high-quality injection molding services are suitable for a variety of materials, including ABS, PC, PP, PA, POM, and other engineering plastics. We can provide multiple solutions for injection molding, such as overmolding, insert molding, etc. YWY injection molding services have a maximum mold weight of 10,000kg and a long mold life of up to 500,000-1,000,000 shots. Our injection molding services also use a variety of software, such as UG, Pro/E, and SolidWorks. With our advanced equipment and experienced staff, YWY provides high-precision and reliable injection molding services. We have been highly praised by all our customers for our quality and service.

Customization:

Injection Molding Services

Brand Name: ywy

Model Number: ywy333

Place of Origin: guangdonghuizhou

Size: Max. Mold Size: 1500 X 1200mm

Mold Life: 500,000-1,000,000 Shots

Mold Base: LKM, HASCO, DME, Etc.

Surface Finish: Polishing, Texturing, Painting, Etc.

Process: Injection Molding, Overmolding, Insert Molding, Etc.

Molding Process Injection, Injection Service Molding, Plastic Injection Molding

We provide the highest quality of injection molding services for your specific needs. Our plastic injection molding service have the capability to handle projects of any size, with a variety of materials. Our experienced design team will work with you to create a customized solution that meets the exact needs of your project. We specialize in injection molding, overmolding, insert molding and more.

Packing and Shipping:

Packaging and Shipping for Injection Molding Services

The injection molding services are carefully packaged in protective packaging materials such as bubble wrap, foam, and cardboard. The package is then securely sealed to ensure that the product is safe during shipping. The product is shipped by a trusted courier service and is delivered to the customer's door in the fastest way possible.
