

Precision Brass CNC Turning Milling Parts with Tolerance of $\pm 0.01\text{mm}$ and IGS Drawing Format

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Product Size: Customized
- Package: Carton, Wooden Case, Etc.
- MOQ: 1 Piece
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Processing Method: CNC Turning Milling
- OEM/ODM: Accept
- Lead Time: 7-15 Days
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Highlight: **Brass CNC Turning Milling Parts,
Precision CNC Turning Milling Parts,
Tolerance 0.01mm CNC Turning Milling Parts**

Product Description:

Product Overview - CNC Turning Milling Parts

CNC Turning Milling Parts are precision engineered components that are manufactured using advanced CNC milling process. These parts are widely used in various industries such as automotive, aerospace, and many more. Our company, as a leading manufacturer and supplier of CNC Milling Manufactured Parts, specializes in providing high-quality CNC Turning Milling Parts to meet the specific needs of our customers.

OEM/ODM Accepted

At our company, we understand the importance of meeting the unique requirements of our customers. Therefore, we offer OEM/ODM services for our CNC Turning Milling Parts. Our team of experts is equipped with the latest technology and machinery to develop customized solutions that meet the specific demands of our clients.

Application

CNC Turning Milling Parts have a wide range of applications in various industries. They are commonly used in the automotive industry for the production of engine parts, transmission parts, and other critical components. These parts also find their application in the aerospace industry for the manufacturing of aircraft parts. Additionally, they are used in the medical, electronics, and other industries as well.

Lead Time

Our company understands the value of time and strives to deliver our products within the shortest lead time. With our advanced manufacturing process and efficient team, we can produce and deliver CNC Turning Milling Parts in just 7-15 days.

Shipping Options

We offer flexible shipping options to our customers for their convenience. Our CNC Turning Milling Parts can be shipped through express, air, or sea depending on the urgency and quantity of the order. We ensure timely and safe delivery of our products to our customers' doorstep.

Tolerance

Precision and accuracy are crucial in the production of CNC Turning Milling Parts. That's why we have strict quality control measures in place to ensure that our parts have a tolerance of $\pm 0.01\text{mm}$. This helps in achieving the desired fit and functionality of the parts in various applications.

Conclusion

As a leading CNC Turning Milling Parts manufacturer and supplier, our company takes pride in providing high-quality, precise, and reliable parts to our customers. With our advanced manufacturing process, experienced team, and commitment to customer satisfaction, we are the go-to choice for all your CNC Milling Manufactured Parts needs. Contact us today to get a quote for your CNC Turning Milling Parts requirements!

Features:

Product Name: CNC Turning Milling Parts

Advantage: High Precision, Fast Delivery, Etc.

Processing Method: CNC Turning Milling

Lead Time: 7-15 Days

Package: Carton, Wooden Case, Etc.

Tolerance: $\pm 0.01\text{mm}$

CNC Milling Manufacturing Parts

Technical Parameters:

Technical Parameters	Description
Advantage	High Precision, Fast Delivery, Etc.
Processing Method	CNC Turning Milling
MOQ	1 Piece
Lead Time	7-15 Days
Application	Automotive, Aerospace, Etc.
Tolerance	$\pm 0.01\text{mm}$
Product Size	Customized
Drawing Format	PDF, IGS, STP, DWG, Etc.
Shipping	Express, Air, Sea

Technical Parameters	Description
OEM/ODM	Accept
Product Name	CNC Turning Milling Parts
Keywords	CNC Milling Manufacturing Parts, CNC Turning Fabricated Parts, CNC Turning Manufactured Parts

Applications:

CNC Turning Milling Parts - ywy

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: 0.68-6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15

Supply Ability: long-term

Drawing Format: PDF, IGS, STP, DWG, Etc.

Shipping: Express, Air, Sea

Application: Automotive, Aerospace, Etc.

Lead Time: 7-15 Days

Tolerance: $\pm 0.01\text{mm}$

Ywy CNC Turning Milling Parts are the perfect solution for all your machining needs. With our advanced technology and skilled technicians, we are able to provide high quality and precise parts for various industries such as automotive and aerospace.

Our CNC Milling Process Parts are fabricated using the latest CNC machines, ensuring accuracy and efficiency in every cut. The CNC Turning Fabricated Parts are manufactured with precision to meet the exact specifications of our clients. We use the best quality materials to ensure durability and strength in our parts.

Located in Guangdong Huizhou, we have a team of experienced engineers and technicians who are dedicated to providing top-notch services and products. Our minimum order quantity is 1 piece, making us the perfect choice for both small and large scale projects.

We offer competitive prices for our CNC Turning Milling Parts, with a range of 0.68-6.68 depending on the complexity of the part. Our packaging is carefully designed with bubble paper boxes to ensure safe delivery of the parts.

With a delivery time of 10-15 days and long-term supply ability, we strive to meet the demands of our clients in a timely manner. Our drawing formats include PDF, IGS, STP, DWG, and more, giving our clients the flexibility to choose their preferred format.

We also offer various shipping options such as express, air, and sea to ensure efficient delivery of our CNC Turning Milling Parts to our clients all over the world.

Our parts are suitable for a wide range of applications, including automotive and aerospace industries. We understand the importance of precision and accuracy in these industries, which is why we have a strict tolerance of $\pm 0.01\text{mm}$ in all our parts.

Choose ywy for all your CNC Turning Milling Parts needs and experience top-quality products and services. Contact us now for a quote and let us help you achieve your machining goals.

Customization:

Customization Service for CNC Turning Milling Parts

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: 0.68-6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15

Supply Ability: long-term

Package: Carton, Wooden Case, Etc.

Application: Automotive, Aerospace, Etc.

Advantage: High Precision, Fast Delivery, Etc.

Drawing Format: PDF, IGS, STP, DWG, Etc.

Material: Stainless Steel, Aluminum, Brass, Etc.

Key Words: CNC Turning Process Parts, CNC Turning Fabricated Parts, CNC Turning Manufacturing Parts

Packing and Shipping:

Packaging and Shipping

The CNC Turning Milling Parts are carefully packaged to ensure their safe delivery. They are first wrapped in protective material to prevent any damage during transit. The parts are then placed in a sturdy cardboard box and sealed securely.

For international shipments, the parts are packed in accordance with international shipping standards to ensure their safe arrival. Custom packaging options are also available upon request.

Once the parts are packaged, they are shipped using reliable and efficient shipping methods. Customers can choose from a variety of shipping options such as air, sea, or land transportation. We work with trusted shipping partners to ensure timely and secure delivery of the parts.

Upon delivery, customers can expect their CNC Turning Milling Parts to be in perfect condition and ready to be used in their

manufacturing processes.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is ywy.

Q: What is the model number of this product?

A: The model number of this product is cnc202.

Q: Where is this product made?

A: This product is made in guangdonghuizhou.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1.

Q: What is the price range for this product?

A: The price range for this product is 0.68-6.68.

Q: How is this product packaged?

A: This product is packaged in bubble paper box packaging.

Q: How long is the delivery time for this product?

A: The delivery time for this product is 10-15 days.

Q: What is the supply ability for this product?

A: The supply ability for this product is long-term.
