

Polished CNC Machined Brass Parts Machined With Precision Accept Custom Orders

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc404

Product Specification

- Color: Customized
- Dimension: Customized
- Material: Brass
- Supply_ability: 10000 Pieces/Month
- Processing_method: CNC Machining
- Payment_term: T/T, PayPal, Western Union
- Surface_treatment: Polishing
- Tolerance: ± 0.01 mm
- Highlight: **Polished Brass Parts, Precision Brass Parts, Polished CNC machined Brass Parts**

Product Description

Product Description:

Our CNC-fabricated Brass Parts are made from the highest quality brass materials, ensuring durability and longevity. The CNC machining process allows for customized dimensions, making it easy to fit your specific requirements. Whether you need small or large parts, our CNC Brass Parts can be tailored to your exact specifications.

Our CNC Brass Parts are polished to provide a sleek, professional finish. The surface treatment ensures that the parts are corrosion-resistant and easy to maintain. The polished finish also makes the parts aesthetically pleasing, making them ideal for use in industries where appearance is important.

We pride ourselves on our fast turnaround times, and our CNC Brass Parts are no exception. With a delivery time of only 7-15 days, you can have your parts in your hands in no time. Our supply ability of 10,000 pieces per month ensures that we can meet even the largest orders with ease.

In conclusion, if you need high-quality, customized Brass Parts that are manufactured using the latest CNC machining technology, then our CNC Brass Parts are the perfect solution for your needs. With a polished finish, fast delivery times, and a supply ability of 10,000 pieces per month, you can trust us to meet your requirements.

Applications:

Whether you need computer-assisted brass parts for electronics manufacturing, computer-simulated brass parts for automotive engineering, or precision brass components for aerospace applications, our cnc404 product has you covered. With a supply ability of 10,000 pieces per month, we offer timely delivery to meet your production schedule.

Our CNC brass parts are available in customized colors and can be packaged according to your needs, with standard export packaging available for convenient shipping. We accept a variety of payment methods, including T/T, PayPal, and Western Union, to make purchasing our products as easy as possible.

Our CNC brass parts are manufactured to the highest standards, with a tolerance of $\pm 0.01\text{mm}$ to ensure precision and accuracy in every component. Whether you're looking to improve the performance of your machinery, streamline your manufacturing process, or enhance the quality of your products, ywy's cnc404 product is the perfect choice.

Customization:

Looking for CNC-manufactured Brass Parts that are computer-programmed and computer-aided? Look no further than ywy's cnc404 product line! Our CNC Brass Parts are perfect for Electronic Components and can be customized to your dimensions. Each piece is made from high-quality Brass and produced in our factory in guangdonghuizhou. With a supply ability of 10000 Pieces/Month, we can easily meet your needs. Our products are shipped from the port of Shenzhen, ensuring timely delivery.

Support and Services:

Our CNC Brass Parts product is supported by a team of technical experts who are available to answer any questions and assist with any issues that may arise. Our technical support team can provide guidance on product installation, operation, and maintenance, as well as troubleshooting assistance. Additionally, we offer a range of services to ensure that our customers get the most out of our products, including custom design and manufacturing, prototyping, and testing services. Our goal is to provide comprehensive support and services to help our customers achieve their goals and maximize the value of our CNC Brass Parts product.

Packing and Shipping:

Product Packaging:

The CNC Brass Parts will be packaged securely in a durable cardboard box with foam padding to prevent any damage during transit.

Shipping:

We offer worldwide shipping for the CNC Brass Parts. Shipping rates will vary depending on the destination and the quantity ordered.

Once your order has been processed and shipped, we will provide you with a tracking number. The estimated delivery time will depend on the shipping method chosen and the destination.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is ywy.

Q: What is the model number of this product?

A: The model number of this product is cnc404.

Q: Where is the place of origin for this product?

A: The place of origin for this product is guangdonghuizhou.

Q: What material is this product made of?

A: This product is made of brass.

Q: What is the manufacturing process used for this product?

A: This product is manufactured using CNC (Computer Numerical Control) machining.
