

Oem Aluminum Milling Turning Parts Custom High Precision Cnc Machining Parts Service

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- OEM/ODM: Acceptable
- Quality Control: 100% Inspection Before Shipment
- Tolerance: ± 0.01 mm
- Delivery Method: DHL, FedEx, UPS, Etc.
- Size: Customized
- Lead Time: 7-15 Days
- Packaging: Standard Export Carton Or Customized
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **High Precision Cnc Machining Parts,
Custom Cnc Machining Parts Service,
Oem Aluminum Milling Turning Parts**

Product Description

Product Description:

Using the latest in CNC technology, our parts are custom-made to meet your specifications. We work with a variety of materials, including aluminum, brass, copper, stainless steel, and more. Our parts come in sizes customized to your needs, ensuring that you get the exact size and shape you need for your application.

Our CNC-manufactured components are made with the tightest tolerances possible, with a precision of $\pm 0.01\text{mm}$. This means that our parts will fit perfectly and perform flawlessly, every time. Whether you need a single part or a large quantity of parts, we can deliver quickly and efficiently.

Our delivery methods include DHL, FedEx, UPS, and more. We offer lead times of 7-15 days, ensuring that you get your parts when you need them.

So why wait? Contact us today to learn more about our CNC Machined Parts and how they can benefit your application. Our team of experts is ready to help you find the perfect solution for your needs.

Features:

Product Name: CNC Machined Parts

OEM/ODM: Acceptable

Size: Customized

Quality Control: 100% Inspection Before Shipment

MOQ: 1 Piece

Packaging: Standard Export Carton Or Customized

Numerically-controlled machining parts, Precision machined parts, CNC-machined components

Technical Parameters:

Product Attribute	Description
Product Name	Computerized Machining Parts
Quality Control	100% Inspection Before Shipment
Application	Automotive, Aerospace, Medical, Etc.
MOQ	1 Piece
Packaging	Standard Export Carton Or Customized
Tolerance	$\pm 0.01\text{mm}$
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
OEM/ODM	Acceptable
Size	Customized
Processing Method	CNC Machining, Turning, Milling, Etc.
Keywords	Computerized Numerical Cutting parts, CNC-machined components

Applications:

Our CNC machined parts come in a variety of models, including 1X893 and OEM. All of our parts are made in Guangdong, China and are certified to the highest quality standards. With a minimum order quantity of just 50 pieces and a price range of \$2.35 - \$12.68 per piece, our parts are affordable and accessible to businesses of all sizes.

When it comes to packaging and delivery, we've got you covered. Our parts are carefully packaged using EPE foam, anti-rust paper, stretch film, and plastic bags before being placed in sturdy cartons. We offer fast delivery times and flexible payment terms to meet your needs.

In addition to our standard models, we also offer OEM and ODM services. Our parts are compatible with a variety of drawing formats, including PDF, DWG, IGS, STEP, and more. And with 100% inspection before shipment, you can trust that our parts are of the highest quality.

So whether you're in the automotive, aerospace, medical, or any other industry, yuanwenyu has the numerically-controlled machining parts, computerized machining parts, and computer-numerically-controlled parts you need to succeed. Contact us today to learn more or place your order!

Customization:

We have a minimum order quantity of 50 pieces, and our prices range from \$2.35 to \$12.68 per piece depending on your customization needs. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton to ensure safe delivery.

Our delivery time is quick, and our payment terms are flexible. We have a supply ability of 1000000 pieces per month, and we accept both OEM and ODM orders. Our surface treatment options include anodizing, plating, painting, and more. Our CNC machined parts have a tolerance of ± 0.01 mm and undergo 100% inspection before shipment to ensure their quality. They are suitable for a variety of applications including automotive, aerospace, medical, and more. If you're in need of computer-numerically-controlled parts, computer-controlled machining parts, or CNC-machined components, look no further than yuanwenyu.

Packing and Shipping:

Product Packaging:

Each CNC machined part will be individually wrapped in a protective material and placed in a sturdy cardboard box with sufficient padding to prevent damage during transportation.

Shipping:

We offer worldwide shipping through our trusted shipping partners. The shipping cost will be calculated based on the weight and destination of the package. Customers will receive a tracking number once the order has been shipped.
