

## Professional CNC Machined Parts Customized Solutions for Your Industrial Requirements

### Our Product Introduction

For more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

#### Product Specification

- Delivery Method: DHL, FedEx, UPS, Etc.
- Lead Time: 7-15 Days
- Size: Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Packaging: Standard Export Carton Or Customized
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Industrial CNC Machined Parts,  
Customized CNC Machined Parts,  
Professional CNC Machined Parts**

## Product Description

### Product Description:

We offer a wide range of materials for our CNC Machined Parts, including aluminum, steel, brass, and more. No matter what your project requires, we have the materials to get the job done right. And with our fast and reliable delivery methods, including DHL, FedEx, UPS, and more, you can rest assured that your parts will arrive on time and in perfect condition.

But our commitment to quality doesn't end with our materials and delivery methods. We also offer a variety of surface treatments for our CNC Machined Parts, including anodizing, plating, painting, and more. This allows you to customize your parts to your exact needs, ensuring that they look and perform exactly as you require.

And of course, every part we produce goes through rigorous quality control measures, including 100% inspection before shipment. This guarantees that every part you receive is of the highest quality, with no defects or errors that could cause problems down the line.

So if you're looking for top-quality, precision-made computer-aided manufacturing parts, look no further than our CNC Machined Parts.

With our commitment to quality, materials, delivery, and surface treatment, we're confident that we can meet all of your needs and exceed your expectations.

### Features:

Product Name: CNC Machined Parts

Surface Treatment: Anodizing, Plating, Painting, Etc.

Lead Time: 7-15 Days

Processing Method: CNC Machining, Turning, Milling, Etc.

Size: Customized

Delivery Method: DHL, FedEx, UPS, Etc.

Precision machined parts, CNC-manufactured components, and Computer-Numerically-Controlled parts are all available with this product.

### Technical Parameters:

Surface Treatment	Anodizing, Plating, Painting, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
OEM/ODM	Acceptable
Size	Customized
Material	Aluminum, Steel, Brass, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
MOQ	1 Piece
Lead Time	7-15 Days

### Applications:

Our CNC machined parts are versatile and can be used in a variety of applications. They are commonly used in the aerospace, automotive, and medical industries. Our parts are also used in the manufacturing of consumer goods such as electronics, appliances, and toys.

Whether you require a single prototype or a large production run, Yuanwenyu can accommodate your needs. Our minimum order quantity is only 50 pieces, and we offer competitive pricing ranging from \$2.35 to \$12.68 per piece.

We take pride in our packaging and ensure that our products are protected during transit. Our CNC machined parts are packaged using EPE foam, anti-rust paper, stretch film, and plastic bags. They are then placed in a sturdy carton for shipping. We offer multiple delivery methods such as DHL, FedEx, and UPS.

Our delivery time is quick, and we can usually have your parts delivered within a short period. We accept various payment methods, and our supply ability is 1000000 pieces per month.

Yuanwenyu provides OEM/ODM services, and we accept drawing formats such as PDF, DWG, IGS, STEP, and more. You can trust us to provide you with the best computer-aided machining parts on the market.

In summary, if you require high-quality CNC machined parts, look no further than Yuanwenyu. Our products are made to the highest standards, and we offer competitive pricing and quick delivery times. Contact us today to learn more about our products and services.

### Customization:

Our yuanwenyu brand offers customization services for Computer-aided machining parts, Numerically-controlled machining parts, and Computerized Numerical Cutting parts.

The model number for this product is 1X893, OEM and it is made in Guangdong, China. It is certified and has a minimum order quantity of 50 pieces. The price ranges from \$2.35 to \$12.68 per piece.

Our packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton, and we offer delivery through DHL, FedEx, UPS, etc. Our delivery time is 1, and we offer various payment terms.

We have the ability to supply 1000000 Piece/Pieces per Month, and our lead time is 7-15 Days. The packaging is in Standard Export Carton Or Customized and we accept drawing formats such as PDF, DWG, IGS, STEP, etc.

The materials used for this product are Aluminum, Steel, Brass, etc.

### Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure smooth operation and maximum efficiency. Our team of experts can provide assistance with installation, programming, and maintenance of the product. We also offer training programs to help operators and technicians optimize the use of the product. In case of any issues or breakdowns, our support team is available 24/7 to provide prompt assistance and troubleshooting. Our goal is to ensure that our customers get the most out of our CNC Machined Parts product and have a seamless experience with it.

### Packing and Shipping:

Product Packaging:

All CNC machined parts will be individually wrapped in protective material to prevent any scratches or damage during transportation.

Parts will be placed in sturdy cardboard boxes with adequate cushioning to ensure safe delivery.

The boxes will be labeled with the product name, quantity, and any necessary handling instructions.

Shipping:

Shipping will be arranged through a reliable courier service.

Customers will receive a notification with the tracking number once the package has been dispatched.

Delivery times may vary depending on the destination and the selected shipping method.

In case of any issues during transportation, customers should contact us immediately to resolve the problem.

### FAQ:

**Q1: What is the brand name of these CNC machined parts?**

A1: The brand name of these CNC machined parts is yuanwenyu.

**Q2: What are the available models of these CNC machined parts?**

A2: The available models of these CNC machined parts are 1X893 and OEM.

**Q3: Where are these CNC machined parts made?**

A3: These CNC machined parts are made in Guangdong, China.

**Q4: What is the minimum order quantity for these CNC machined parts?**

A4: The minimum order quantity for these CNC machined parts is 50 pieces.

**Q5: How much do these CNC machined parts cost and what is included in the packaging?**

A5: These CNC machined parts cost between \$2.35 and \$12.68 per piece. The packaging includes EPE foam, anti-rust paper, stretch film, plastic bag, and carton.

**Q6: What is the delivery time for these CNC machined parts and what are the payment terms?**

A6: The delivery time for these CNC machined parts is 1 day. The payment terms are also 1 day.

**Q7: What is the supply ability of these CNC machined parts?**

A7: The supply ability of these CNC machined parts is 1000000 pieces per month.
