

Professional CNC Machined Parts for Optimal Industrial Production Efficiency

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Lead Time: 7-15 Days
- Quality Control: 100% Inspection Before Shipment
- Tolerance: ± 0.01 mm
- MOQ: 10Piece
- Material: Aluminum, Steel, Brass, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Highlight: **Industrial Production Efficiency CNC Machined Parts**
, Professional CNC Machined Parts

Product Description

Product Description:

Our CNC machined parts are available with a variety of surface treatments including anodizing, plating, painting, and more. This ensures that you not only have a precision machined part, but also one that is aesthetically pleasing and fits your specific needs.

Our lead time for these precision machined parts is only 7-15 days, allowing you to receive your parts quickly and efficiently. We offer a variety of delivery methods such as DHL, FedEx, UPS, and more to ensure that you receive your parts in a timely manner.

Whether you need a small or large quantity, our CNC machined parts are perfect for all your manufacturing needs. Contact us today to learn more about our computer-numerically-controlled parts and how they can benefit your business.

Features:

Product Name: CNC Machined Parts

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Packaging: Standard Export Carton Or Customized

Application: Automotive, Aerospace, Medical, Etc.

Tolerance: $\pm 0.01\text{mm}$

MOQ: 10Piece

Features:

Computer-Numerically-Controlled parts

Precision machined parts

CNC-manufactured components

Technical Parameters:

Technical Parameters	Details
Product Name	Precision machined parts
Surface Treatment	Anodizing, Plating, Painting, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Material	Aluminum, Steel, Brass, Etc.
Packaging	Standard Export Carton Or Customized
MOQ	10Piece
Delivery Method	DHL, FedEx, UPS, Etc.
Size	Customized
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Lead Time	7-15 Days

Applications:

Our parts are perfect for a wide range of applications and scenarios, including:

Automotive manufacturing

Aerospace engineering

Medical device manufacturing

Consumer electronics production

Industrial equipment fabrication

No matter what your specific needs may be, our CNC machined parts are designed to meet your exact specifications with a tolerance of $\pm 0.01\text{mm}$. They are also available with a variety of surface treatments such as anodizing, plating, and painting to ensure that they meet your exact needs.

Our minimum order quantity is just 50 pieces and our prices range from \$2.35 to \$12.68 per piece, depending on the specific part and quantity ordered. All of our products come with packaging details that include EPE foam, anti-rust paper, stretch film, and plastic bag + carton to ensure that they arrive at your facility in pristine condition.

We offer a variety of delivery options including DHL, FedEx, and UPS, and our supply ability is 1,000,000 pieces per month. We also offer OEM/ODM services to meet your unique needs, and our products are certified to meet the highest quality standards.

Whether you need CNC machined parts for automotive, aerospace, medical, consumer electronics, or industrial equipment applications, yuanwenyu has you covered. Contact us today to learn more about our products and services and to place your order!

Customization:

Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag +carton. We offer a quick delivery time of 1 and flexible payment terms. Our supply ability is 1000000 piece/pieces per month.

We accept drawing formats such as PDF, DWG, IGS, STEP, etc. and our MOQ is 10 pieces. Our processing method includes CNC machining, turning, milling, etc. We offer a wide range of materials including aluminum, steel, brass, etc. and surface treatments such as anodizing, plating, painting, etc.

With our computer-aided machining parts and computer-numerically-controlled parts, we are confident in providing you with high-quality CNC machined parts that meet your exact specifications. Contact us today to discuss your project requirements!

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that our customers are satisfied with their purchase. Our team of experts is available to answer any technical questions you may have about the product, as well as provide guidance on installation and maintenance.

In addition, we offer a range of services to support our customers throughout the product lifecycle, including repair services and replacement parts. Our goal is to ensure that our customers are able to maximize the performance and lifespan of their CNC Machined Parts, and we are committed to providing the necessary support to make that happen.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully packed to ensure they are not damaged during transit.

We use high-quality packaging materials such as bubble wrap and sturdy cardboard boxes.

The parts will be labeled and organized for easy identification and assembly.

Shipping:

We offer worldwide shipping for our CNC machined parts.

Shipping costs will be calculated based on the weight and destination of the package.

We use reliable and fast shipping services to ensure your order arrives on time.

We will provide tracking information so you can keep track of your package.

FAQ:

Q1: What is the brand name of the CNC machined parts?

A1: The brand name of the CNC machined parts is yuanwenyu.

Q2: What is the minimum order quantity for the CNC machined parts?

A2: The minimum order quantity for the CNC machined parts is 50 pieces.

Q3: What is the price range of the CNC machined parts?

A3: The price range of the CNC machined parts is \$2.35 - \$12.68/piece.

Q4: What is the delivery time for the CNC machined parts?

A4: The delivery time for the CNC machined parts is 1 week.

Q5: What is the supply ability of the CNC machined parts?

A5: The supply ability of the CNC machined parts is 1000000 pieces per month.
