

Customized CNC Machined Parts for Enhanced Efficiency and Precision in Production

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Packaging: Standard Export Carton Or Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- MOQ: 10Piece
- Lead Time: 7-15 Days
- Quality Control: 100% Inspection Before Shipment
- OEM/ODM: Acceptable
- Highlight: **Customized CNC Machined Parts,
Precision CNC Machined Parts,
Enhanced Efficiency CNC Machined Parts**

Product Description

Product Description:

Our CNC machined parts have a tolerance level of $\pm 0.01\text{mm}$, making them ideal for applications that require tight tolerances and high precision. These parts are perfect for use in critical components where accuracy and reliability are of utmost importance. We offer standard export carton packaging for our numerically-controlled machining parts, but we can also customize the packaging according to our customers' specific requirements. This ensures that our parts arrive at their destination safely and in excellent condition. Our numerically-controlled machining parts are available in a variety of surface treatments, such as anodizing, plating, painting, and more. This gives our customers the flexibility to choose the surface treatment that best suits their needs, depending on the application and environment where the parts will be used.

At our company, we take pride in our ability to produce high-quality numerically-controlled machining parts that meet or exceed our customers' expectations. We use advanced equipment and technology to ensure that every piece meets our strict quality standards. Our team of skilled professionals is dedicated to providing excellent customer service and support throughout the entire process, from design to production to delivery.

Features:

Product Name: CNC Machined Parts
Size: Customized
Material: Aluminum, Steel, Brass, Etc.
Packaging: Standard Export Carton Or Customized
Delivery Method: DHL, FedEx, UPS, Etc.
Drawing Format: PDF, DWG, IGS, STEP, Etc.
Computer-aided machining parts
Computerized Numerical Cutting parts
Computerized Numerical Cutting parts

Technical Parameters:

Processing Method	CNC Machining, Turning, Milling, Etc.
OEM/ODM	Acceptable
Lead Time	7-15 Days
Delivery Method	DHL, FedEx, UPS, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Tolerance	$\pm 0.01\text{mm}$
Size	Customized
Packaging	Standard Export Carton Or Customized

These computerized machining parts, computer-numerically-controlled parts, and precision machined parts are designed to meet your specific needs.

Applications:

Our CNC machined parts are made of high-quality materials such as aluminum, steel, brass, etc. The tolerance of our products is $\pm 0.01\text{mm}$, which ensures precision and accuracy. The size of our products can be customized to meet the specific needs of our clients. Our CNC machined parts are suitable for a wide variety of applications. They are commonly used in industries such as aerospace, automotive, electronics, medical, and military.

Our CNC machined parts are ideal for use in high-stress environments where accuracy and precision are critical. They are commonly used in applications such as aircraft engines, medical devices, and computer components.

Our CNC machined parts are also commonly used in computer-aided manufacturing processes. They are used to create complex parts and components that would be difficult or impossible to produce using conventional manufacturing methods.

Our CNC machined parts are subjected to rigorous quality control measures, ensuring that they meet the highest standards of quality and reliability. We conduct a 100% inspection of our products before shipment to ensure that they are free from defects.

The lead time for our products is 7-15 days, and we have a supply capacity of 1000000 Piece/Pieces per Month. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag + carton, ensuring that our products are delivered to our clients in excellent condition.

At Yuanwenyu, we are committed to providing our clients with the highest quality CNC machined parts at competitive prices. Contact us today to learn more about our products and services.

Customization:

Support and Services:

Product Technical Support and Services for CNC Machined Parts:

Our CNC Machined Parts come with technical support and services to ensure the best performance and longevity of the product. Our team of experts is available to provide assistance in the installation, operation, and maintenance of the product. We also offer custom design and manufacturing services to meet specific customer requirements. In addition, we provide quality inspection and testing services to ensure the product meets industry standards and customer specifications.

Packing and Shipping:

Product Packaging:

Each CNC machined part will be carefully packed to ensure safe shipping. The parts will be placed in a sturdy box with sufficient padding to prevent any damage during transit. The box will also be labeled with the product name, quantity, and any other necessary information.

Shipping:

We offer shipping to all locations within the United States and internationally. We will use a reliable and trusted shipping carrier to ensure that the product arrives at its destination in a timely and secure manner. Shipping costs will vary depending on the destination and weight of the package. Once the order is placed, we will provide a tracking number for the shipment so that you can track the delivery status.

FAQ:

Q1: What is the brand name of this CNC Machined Parts product?

A1: The brand name of this product is yuanwenyu.

Q2: What is the minimum order quantity for this product?

A2: The minimum order quantity for this CNC Machined Parts product is 50 pieces.

Q3: What is the price range for this product?

A3: The price range for this CNC Machined Parts product is between \$2.35 to \$12.68 per piece.

Q4: What is the packaging details of this product?

A4: The packaging details of this CNC Machined Parts product include EPE foam, Anti-Rust Paper, Stretch Film, and Plastic bag +Carton.

Q5: What is the delivery time for this product?

A5: The delivery time for this CNC Machined Parts product is mentioned as 1.
